

Your kit should include:

- Measuring tools (ruler, 2 triangles, & compass)
- Scissors
- 1 spool of wire
- 2 large syringes
- 2 small syringes
- 60cm tubing
- 50 popsicle sticks
- Utility knife

Some housekeeping rules to keep things running smoothly:

- Tuck your chair in at end of class
- Sweep the floor
- Only touch your kit
- Put your kit back at the end of class
- Use your resources wisely (you will not be given more resources).
