The Yoga Instructor

By Ian Colbourne

Josh is an yoga instructor teaching Kirkland but josh can't stop farting.

Josh: I'm glad that you could make it to this class, trust me you will learn from only the best here (points to himself).

Kirkland: That's great! I've always wanted to go to the gym but i never knew what to do here.

Josh: I assure that you will have fun here and be able to do a lot, so let's get right into it!. So first off we're going to start with some stretches.

Kirkland: Ok, great.

Josh: So for the first stretch all your going to do is bend over and touch your toes.(When Josh does this he farts)

Kirkland:(looks at Josh with a strange face then giggles to himself and proceeds to touch his toes).

Josh: Great! Now for the next stretch you are going to grab your leg and bring it up to your waist.(farts again as he does this)

Kirkland:(starts feeling awkward) Ummm, I know stretches are very important but can we maybe skip stretches and move on to the yoga.

Josh: Stretches are very important but ok. Don't blame me if you hurt yourself by pulling a muscle then.(Farting while he is saying this)

Kirkland: Ummmmm, you know what I think I umm have to go.(looking at his watch

while he says this)

Josh: why? you just got here, did i do something?

Kirkland: Ummmm, ok let's face it, you keep farting and it's really weird so i think i'm going to leave.

Josh: I'm sorry i can't help it. (Josh feels disappointed)

Kirkland: (walks out very disturbed).

The Vain Astronaut

By Santiago Baker

We see a rocket takeoff. We cut to inside the astronaut capsule. The actors are wearing heavy skidoo suits and helmets.

Jordan: Mission Control, we’re getting slightly high readings on our H levels. Please advise.

Mission control: Everything is fine, continue as planned. Your hydrogen oxygen is almost out, get ready to jettison your booster.

Jordan: Copy that mission control. Jettison booster in 3,2,1... Jettison booster activated.

Awkward pause

Jordan: Are you giving me the silent treatment?

Awkward pause

Jordan: this is getting uncomfortable

Ian: You’re telling me this thing itches (he itches himself through the suit). Do i look fat in this?

Jordan: Would shut up? We’re astronauts.

Ian: But these colors don't even match. How am I going to look in the photos.

Jordan: We're on NASA. Just follow the protocol.

Ian: How am I meant to go outside looking this? What are people going to think of me?

Jordan: We are on space. No one is watching you, just put your helmet on and let's go.

Ian: This white looks all wrong with my face. It doesn't go with my makeup.

Jordan: Why are you even wearing makeup?

Stares at him, blinking

Ian: Does my eyeliner look good? I think it's too dark.

Jordan: Nobody cares about your freaking eyeliner! Get out of my face (Pushes him back)

Ian: You're going to wrinkle my clothes. Be careful. Took me 7 and a half hours to get the wrinkles out. Stupid pressure resistant NASA suit.

Jordan: You know what? I've got a mirror just over here. Just step in to this room and you should find it.

Ian: Well thanks sweetie. At last you do something of use. This looks like the room we came in from.

Jordan: Don't worry about. (As he presses the button to close the door and open the outside door). You won't have to worry about your make up now.

Ian: (Silence as he floats out)

Jordan: Finally. Peace.

Bully Days Are Over

By Joshua Shears

*I think the best sket was the one about the astronauts when because it was funny and
entertaining, but i will be writing about a bully in a school today.*

A group of kids run on stage. It is recess and they chase each other around. One is
kicking a ball.

Amber (PERSON 1) enters and is surrounded by some of the other kids. He brags
loudly about himself, pushes a kid, grabs someone's lunchbox, and says who's
next? and kicks the ball away.

PERSON 1 starts to pick on **PERSON 2**, calling him names like, "Wimp." The other
kids join in.

Chloe (PERSON 2) just stands, not responding to PERSON 1.

This makes PERSON 1 even madder and he gets louder and more abusive, and he crush his fists Finally he says, "You've made me so mad, I'm gonna hit you!"

PERSON 2 says, "Go ahead. But I won't hit you back. You are just a bully and only pick on someone smaller than you are, chicken"

. "PERSON 1 calls PERSON 2, "your a Chicken!"

PERSON 2 responds, "I'm not afraid of you. If you hit me, you will get expelled. Go ahead"

the two boys begin to circle each other. When PERSON 2 manages to get behind PERSON 1 he grabs him around the waist and hangs on. PERSON 1,

while he's holding tears in, he tries to shake PERSON 2 off, but cannot do it. The other kids find this hilarious and start laughing.

PERSON 2 let's go, so suddenly that PERSON 1 falls to the ground.

PERSON 2 runs off, while the other kids laugh at PERSON 1.

PERSON 2 calls back over his shoulder, "I think your days of bullying are over!"
