SCENE	LOC ATION	DESCRIPTION
1 Tyler	Backyard	Darcy is out cutting wood (long shot). We then see her in close-up (low camera looking up at her) cutting something outdoors.
2 Emma	School	Shane has a gang around him (AJ, Jonathan, & Tyler). We can see that Shane is very macho (remember the documentary clip we saw about boys wearing masks). Shane postures and we get a sense that the other boys look up to him. Shaelin, Alicia, Jolean and Mackenzie look on. They don't seem impressed by the boys' behavior.
3 Garraway	Washroom	Shane goes to the washroom and we see in the mirror that he is a werewolf!
4 Alicia	Stairwell	Darcy, Shaelin & Alicia gossip about how macho Shane is and how he is influencing other boys to be mean. Darcy seems to think there is even

		more going on, but she doesn't exactly know what it is.
5 Kennedy	Social Studies Class to Washroom	Darcy sits behind Shane in Social Studies class. She starts at Shane very carefully. When Shane asks to go to the washroom, Darcy follows (without permission). Darcy spies on Shane in the washroom and sees that he is a werewolf in the mirror! Darcy almost gives herself away (Shane almost spots her)!
6 Jessica	Social Studies Class	Darcy rushes back to class and is in shock! Shaelin, Alicia, Jolena and Mackenzie can tell there is something up.
7 Keira	Hallway (recess)	Jonathan, AJ and Shane are chatting up Mackenzie, & Jolena. Shane is very mean to the girls and the girls seem to just cower and not defend themselves. AJ and Jonathan seem to be learning how to treat girls (poorly).
8 Amy	Hallway (recess)	Darcy tells Shaelin and Alicia what she saw in the washroom. The girls don't believe her. Darcy promises to show them
9 AJ	Shane's Garage (night)	Shane brings AJ and Jonathan over to his garage for some "guy" talk. In fact, he is going to totally transform the guys into fellow were wolves. Shane prepares a poisonous drink and makes them drink it!
10 Sparkes	Street (night)	Darcy hears howls coming from Shane's garage. She goes over and looks through the garage window. She sees that they are all werewolves. Darcy rushes off to get Shaelin and Alicia so they can see too!
11 Mackenzie	Alicia's House (night)	Shaelin is at Alicia's house with DJ and Michael. Darcy knocks on the door and demands that they all follow her to Shane's garage. Darcy promises them that she has proof of something, but doesn't say what.
12 Darcy	Shane's Garage (night)	Darcy, Shaelin, DJ, Alicia and Michael all gather outside Shane's garage and look in through a window. The garage is empty! They all argue with Darcy and tell her that she is making things up. Darcy is quite upset. Out of nowhere, the group gets attacked by THREE werewolves (Shane, Jonathan & AJ). Everyone runs to the woods for shelter! The werewolves follow.
13 Michael	Woods	Michael is seriously hurt. Alicia tries to comfort him, but she gets attacked too by Jonathan.
14 Shaelin	Woods	Shaelin is hurt too. DJ holds Shaelin in his arms and confesses that he always hated how macho Shane acted and how the other guys tried to be like Shane. DJ promises to be a good person and to save Shaelin. Shaelin gets weaker and weaker. DJ tells her that he loves her! Dj cries (sincerely).
15 Cameron	Woods	Alicia is injured but can still walk. She meets up with DJ and Shaelin. DJ is trying to get Shaelin to help. They decided to go to Jolena's house.
16 DJ	Jolena's house	Mackenzie is at Jolena's house for a sleepover. It is very late. Alicia, DJ and Shaelin show up and they look miserable. Jolean invites them in and the whole story of the attack is told. It is revealed that Michael is dead!
17 Shane	Shane's Garage	Shane, AJ and Jonathan have dragged Michael's body back to the garage. They are eating him!!! Shane tells the boys how good they're doing as werewolves and how they can help him make other boys into werewolves!
18 Jolena	School (morning)	Darcy chats to DJ, Jolena and Mackenzie and tells them that they have to try to save Tyler from becoming a werewolf. There is probably not much

		now that can save AJ or Jonathan.
19 Adrian	Stairwell	Jolena and Mackenzie find Tyler in a stairwell and talk almost metaphorically how boys can become werewolves and mistreat women. Tyler things it silly. Tyler explains how he likes Shane and how Shane acts all tough around girls. Tyler thinks it's a cool way to be. Shane , AJ and Jonathan show up and the conversation ends.
20 Ryan	Behind the school	Jolena and Mackenzie meet with Darcy and tell her that they couldn't convince Tyler to switch sides.
21 Alexis	Tyler's house	DJ chats with Tyler and tells him that being a werewolf is a dead end. That's no way to treat women. Shaelin shows up. She is completely recovered and she hugs DJ to show her appreciation. DJ explains that caring for people is the only way to exist!
22 Jonathan	Darcy's house	Tyler shows up at Darcy's house and says that he's ready to help her. When she comes out, DJ, Jolena, Alicia and Mackenzie are all there to help too. They head off to the woods to find Shane! They capture Shane and put an end to the spread of werewolves!
