3. Create a slide show. The first slide will have the heading “Topic 1: Design Teams and Portfolios.
4. Answer the following questions:
 - a. As a team (of two), how are the responsibilities going to be divided up? (Who does what?)
 - b. How are ideas expressed, shared, and recorded?
 - c. How are differences of opinion resolved? (How are compromises made?)
 - d. What happens when someone does not do their work? (How are we all accountable and how is the grading of work fair?)
 - e. What happens when your partner is absent? Can you still work? Where are files stored? H: drive (secure) and/or F: drive which is wide open?
